Club Brochure**

Aims of the Supporters Club

The Supporters Club is a non-profit organisation, run by a group of volunteers who are East Fife Supporters. The aims of the East Fife Supporters Club is to further the interest in East Fife Football Club, and give support to the club wherever possible.

During the season, we hold fundraising events such as Quiz Nights, Race Nights, Christmas Raffles etc. We also produce a calendar for Christmas, but always looking for fresh and new ideas.

Through fundraising, East Fife Supporters Club donated £3000 to East Fife Football Club during the 2022-2023 season, which will help with the running of the club. To support the club further, we also sponsor an East Fife player each season.

All monies raised each season go directly back to the club.
